

21st Century Coastguard

Geoff Matthews

Maritime and
Coastguard Agency

HM Coastguard is changing....

Solent Maritime Rescue Coordination Centre (MRCC) will close in September 2014 when the new National Maritime Operations Centre at Segensworth will become fully operational.

From the perspective of the recreational sailor, the proposal to close existing coastguard stations has caused consternation.

This lecture by a senior Coastguard will explain the changes and provide for a Question and Answer session about the potential consequences for marine safety in the Solent.

January 22nd, 2014

**Southampton Solent University Conference Centre
57-187 Above Bar
